

HAMPER PROGRESS no. 9 Marlborough to Thatcham

On Thursday 15 April Jeff Hide delivered the hamper to Keith Boffin in Thatcham.

Jeff writes:

"Keith's younger and exceedingly smart model was needed to carry the increasingly heavy hamper on its journey."

He is not exaggerating about Keith's 1969 2-door saloon, which won "Best in Show" at our Annual Branch Rally in 2017 at Steam Museum, Swindon; and both "Best in Class" and "Best in Show" at our 2018 rally at REME, Lyneham.

The photo by Sarah Bracher shows Keith with his trophies at REME. As the "Best in Show" shield was then full, Keith very kindly donated a replacement.
