

# NWMMOC Hamper Relay 2021 / 2

You can see the hamper filling up as it progresses. Peter handed it over to Steve in Cirencester, then Alastair (from Ashton Keynes) collected it to take on to Martin in Standlake. Martin displays it on the bonnet of his newly-acquired Traveller.

The hamper will now travel on to Castle Eaton, Royal Wootton Bassett and Wroughton, to complete the first stage.

We will then be in touch with Branch members in Stage 2, the area south of Swindon.

To give you an idea of the hamper's ultimate destination, here is a photo of the Food Bank at Swindon Night Shelter, taken at the end of our last hamper relay.
