

Minor Message series 2 no. 19 North Wilts Branch Indiana Division Fun Run

by Alison Shailes & Roger Briance

Hi, Hope you are well. Thanks for your email and how exciting we are all in Minor Matters! When you emailed yesterday we were just about to go out for a drive together in the Moggies as the hot Indiana weather is starting to run out and we had a beautiful day here yesterday. We joked it was the North Wilts Branch Indiana

Division Fun Run:)

We had a great drive through all the back roads which are all lined in corn fields and ended up at a small lake town for an ice cream. We thought you would like to see a few photos. Also, thank you for our Virtual Rally Sticker, it is on Doris's side window for all to see! Tomorrow Doris is taking us to our daughter's softball games! Making the most of this lovely weather we have right now.

Thanks again, Alison & family and Freddie the Goldendoodle

Thank you for forwarding the article to us. We enjoyed reading it. The virtual rally was a great success and we have told lots of folks about it.

Thank you also for the virtual rally sticker which arrived this week.

We have been out driving our MMs this afternoon as we have a lovely sunny day. As always, people come up to us and start chatting about the cars! Stay healthy and safe.

Best Wishes, Roger & Liz 🌻
