

## **North Wilts. MMOC visit and picnic**

### **Middlewick House Open Garden 2026: Sunday, 7<sup>th</sup> June**

Members have participated in this event for several years and found it to be very interesting both viewing the special cars owned by Pink Floyd drummer Nick Mason and the hundreds of other classic and super cars in their display area.

There have always been lots of stalls to browse, refreshments to buy and plenty of space to sit and picnic. The proposal is that Branch "cars" who choose to participate would meet up and then arrive at Middlewick House together in order that we should be parked together. That would enable us to meet for a lunchtime picnic alongside our Moggies, should we wish.

Last year the event raised over £200,000 for the Wiltshire and Bath Air Ambulance and the Bobby Van Trust: it feels positive to support this event.

Ticket prices have increased this year to:

Adult £20

Car parking in Super Car and Classic Car Parking £5

If you wish to participate you need to purchase your tickets on-line at

<https://middlewickhouseopengarden.com>

Then please let me know that you have tickets, so the group can arrange to meet up and drive in to Middlewick House gardens "in convoy".
