To the Car Club Secretary
And car enthusiast/lover

Dear Secretary and car enthusiast,

We will be holding our 18th Annual Classic Car and Bike Show on the Sports Field in Shalbourne on Sunday 30th August and would be delighted if you or any of your members were able to attend to display your vehicle.

The 2025 event was very popular and record numbers of classics attended the show so we have decided that for 2026 all classic cars and bikes must prebook to obtain entry to the display area on the Sports Field. This is to ensure that the number of display cars and bikes on the Sports Field are at manageable levels for the benefit of all those attending the show. ONLY prebooked vehicles displaying the booking confirmation with the vehicle registration will be allowed into the display area. Any vehicle not prebooked or not displaying the booking confirmation will be required to park in the car parking area designated for the visiting public.

Gates are open from 8.00 am for all exhibitors and coffee and bacon rolls will be available from 9.00 am. Opening time for the general public is 11am and the show finishes at 4 pm.

The postal address for the Sports Field is Rivar Road, Shalbourne, Wiltshire SN8 3PZ. Shalbourne is 3 miles south of Hungerford just off the A338.

Entry for drivers and passengers in classic cars is free, but we will ask for a donation. The proceeds from previous years have funded maintenance of the pavilion, the upkeep of the sports facilities and donations to several Shalbourne charities including Dramsdon Care Home, the Community Fund, the Relief Fund and the local church.

In addition to the cars on display there will be a barbecue, beer tent, children's activities and other stalls.

We recommend booking early to ensure your reservation and we look forward to seeing you on the day when you will receive a very warm welcome.

Yours Sincerely

Larry Sargent

SHALBOURNE CLASSIC CAR & BIKE SHOW

Venue: Sports Field - Rivar Road, Shalbourne, Wiltshire SN8 3PZ

Sunday 30 August 2026

REGISTRATION FORM

Your Name:

Your Contact email:
