

NWMMOC

Events in September

North Wilts branch members attended the rally of the Avon Branch, which was held at East Somerset Steam Railway near Shepton Mallet in Somerset.

Steve chauffeured for the wedding of his friends.

This well-guarded, saveable 1958 Minor 1000 has been stored in a barn for 26 years. Steve Chater helped with evaluation, and the branch is trying to find a buyer before the buildings are demolished.
