

## NWMMOC Games evening, 22 March 2018

12 of us met at the Village Hall, Castle Eaton. In the car park were Diana's Minor saloon, Harry and Kath's Mini and Sarah and Malcolm's Minor convertible. Our thanks to all for cakes and refreshments, to Pam and Ash for arranging the hall, and to Sarah for her food notes and "chicken puzzle" - see below.

Julian and Diana trying to beat Pam at Chronology

Susie and Gill defeating Bill at Chinese Checkers

Liz and Harry head-to-head on Draughts

Sarah, Malcolm, Peter and Ash pondering Lexicon

### **Sarah's pre-decimalisation chicken puzzle:**

You go to market to buy 100 chickens and spend exactly £1.00.0 in pounds, shillings and pence - l s d - old money!

Cocks are 3d each

Hens are 1d each

Chicks are 3 for 1d

How many of each do you buy?

There are a number of correct solutions.
